Page 5 — Brand Checklist & Launch

BEFORE YOU LAUNCH CHECKLIST

- Logo files saved in PNG, SVG, and PDF formats
 - Color hex codes documented and saved
 - Fonts downloaded and installed
 - Brand voice guide shared with anyone creating content
 - Social media profiles updated with consistent bio, photo, and links
 - Website reflects brand colors and fonts
 - Email signature updated
 - Business cards updated (if applicable)
 - Canva Brand Kit created with colors and fonts
 - Brand guideline doc shared with team/contractors
-

BRAND AUDIT (do this every 6 months)

- Does all content look and sound consistent?
 - Have your audience or goals evolved? Update brand accordingly.
 - Are your colors and fonts rendering correctly across devices?
 - Does your brand still feel aligned with your values?
-
